DOUBLE TAKE

Were you able to find all 12 differences?

Check out the next page to get the inside scoop on some of the goodies in Orville's work space.

ANSWER KEY

DOUBLE TAKE

One of Orville's prototypes snuck into the stormtrooper army.

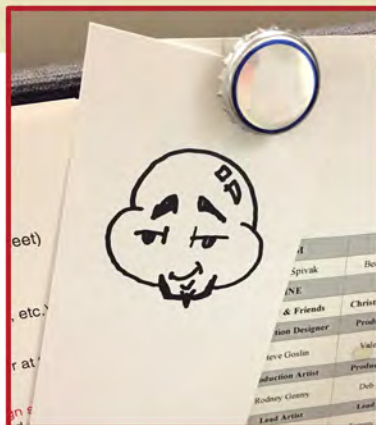

Orville got these Star Trek figures at the 2013 Comic Con event where he signed the Man of Steel ornament.

FUN FACTS

Fellow Keepsake artist Sue Tague made this "Egg Guy" for his birthday. Why an egg? Orville is allergic to eggs. She made a little Hawaiiin shirt for it because that is his favorite travel destination. He's been there three times!

This is the sketch that Orville uses as an avatar in his email and as his identity on some of the 3D forums he visits.

Orville is the artist for these arcade game ornaments. His favorites to play growing up were Pac-man and Ms. Pac-man.
