Disney Storytellers Ornaments

DISNEY CHRISTMAS CAROLERS STORYTELLERS

Hallmark and Disney have been partnering for over 40 years to create Keepsake Ornaments featuring iconic characters like Mickey, Donald, Goofy and more. The Disney Storyteller ornaments feature light, sound and - for the first time in Storyteller history - motion!

Connect a single Disney Christmas Caroler ornament to a Hallmark Keepsake Power Cord and you'll see it light up and perform a holiday carol with the push of a button. Add one or both of the other Disney Christmas Caroler ornaments and you'll unlock some amazing interactive performances!

Each character performs a Christmas carol a capella and with each additional character the performance becomes more interactive and entertaining!

More for your Christmas tree!

HALLMARK KEEPSAKE ORNAMENTS DECORATE YOUR TREE FROM HEAD TO TOE

Hallmark is THE place to find beautiful and innovative Keepsake Ornaments, and the Keepsake Village has been hard at work creating special pieces to help put the finishing touch on your tree with a tree skirt or tree topper.

The **Force Is Strong Star Wars™ Tree Skirt** creates a continuous light effect when connected to the Keepsake Power Cord. Barbie ornament collectors can crown their tree with the beautiful **Angel Lights Barbie™ Tree Topper**. Barbie's dress illuminates with one of two different colored continuous light effects. Finally, for a beautiful complement to any tree, the **Stunning Snowflake Tree Topper** features a continuous light effect. And press the button on the remote control (included) for a coordinated light and sound show, featuring music from "We Wish You a Merry Christmas" and "White Christmas."
