

# DOUBLE TAKE

Hallmark Keepsake Ornament Artist Kristina Gaughran was kind enough to let us invade her work space to have a little fun. See if you can spot 10 differences in the before and after photos. The answer key is on the next page, along with fun facts about some of the items that surround Kris every day.

# DOUBLE TAKE

Were you able to find all 10 differences?

Check out the next page to get the inside scoop on some of the goodies in Kristina's work space.

# ANSWER KEY

Go to [Hallmark.com/KeepsakeOrnaments](https://www.hallmark.com/KeepsakeOrnaments) for even more Keepsake stories and activities.

# DOUBLE TAKE

This Keepsake Ornament was inspired by and modeled after Kristina's brother's car.

Three years of fairies are displayed here. Bet you wish that 2017 sculpt wasn't pixelated. But we can't wait to add 2016's tulip fairy to our collection.

## FUN FACTS

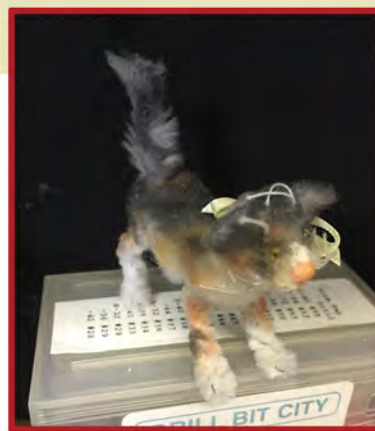

A VERY early sculpture by the future Hallmark Keepsake Ornament Artist.

Recently, Kris has been experimenting with larger format fairies.

Kris loves cats. This was a gift made by fellow Keepsake Ornament Artist, Sue Tague.
